

Clean. Green. Mean.

## Proven Results for Your Bottom Line.

You can't just say a product or service is the greatest — you have to back it with proven results.

That's why we've invested over \$400,000 to prove Eco Flaps® truly are designed with performance in mind.

# Proven Results From 3<sup>rd</sup> Party Testing

Testing Centers	Location	Results
 Proving Ground	San Angelo, TX	1.1% fuel savings
 Automotive Research Center	Indianapolis, IN	1.26% fuel savings with unskirted trailer 0.96% fuel savings with skirted trailer
 Transportation Research Center	East Liberty, OH	3.3% fuel savings with unskirted trailer 2.3% fuel savings with skirted trailer
 Southwest Research Institute	Bishop, TX	* 1.25% fuel savings * Results achieved by using only 2 Eco Flaps on the trailer per SmartWay testing protocol
 PIT Group by FInnovations	Ontario, CAN	1.35% fuel savings
MVT SOLUTIONS CERTIFIED	Pecos, TX	Saved 0.99 gal/1,000 miles

## Proven Results From Our Customers.

Eco Flaps® help to enhance safety while reducing fuel consumption.

"The aerated design reduces road spray while reducing aerodynamic drag. We would spec Eco Flaps® just for the safety aspect alone."

Max L. Fuller, Chairman & CEO of U.S. Xpress, Inc.

We had a mud flap problem until we switched to Eco Flaps®.

"Since switching to Eco Flaps®, we've noticed a dramatic decrease in the costs and the hassles associated with constantly replacing mud flaps on our trucks. I would absolutely recommend Eco Flaps® to any fleet looking for simple ways to reduce unseen but realized maintenance expenses."

Mike Eggleton, Jr., Vice President of Raider Express
